The Rock Rapids Municipal Utilities will make a payment of \$2,000.00 (paid in CAC Gift Certificates) to any person who builds and occupies or purchases and occupies a new single family dwelling in the corporate limits of Rock Rapids for which a building permit was issued. The payment shall be made to the new customer within 30 days after the utility service for said customer is commenced. This policy shall continue until such time as the Board adopts a resolution declaring the program to be terminated.

The following energy efficiency standards and criteria have been adopted by the utility and must be met to qualify for the program rebate:

1. Insulation
  - Ceilings (Minimum "R" Value) - - - - - 38
  - Walls (Minimum "R" Value) - - - - - 20  
 (Including dwelling wall or walls inside garage. It is suggested that all dwelling walls be 6" walls.)
  
2. Furnace
  - Natural Gas - Annual Fuel Utilization Efficiency (AFUE) - - - - - 96%
  - Electric - Heat Pump Seasonal Energy Efficiency Ratio (SEER)
    - Air to Air - - - - - 15.0
    - Ground Source (Closed Loop, 3.6 COP) Minimum EER- - - - - 17.1
  - Electric - Efficiency - - - - - 100%
  
3. Water Heater
  - Gas –
    - Storage water heater - - - - - Energy Star Certified
    - Tankless water heater - - - - - Energy Star Certified
  
4. Central Air-Conditioning
  - Electric – Seasonal Energy Efficiency Ratio (SEER) Minimum - - - - - 15.0
